

2022-2023 REGISTRATIONS ARE NOW OPEN

Registrations for the 2022-2023 season are now open. At the present time no particular measures relating to Covid 19 have been announced. This situation may evolve according to measures dictated by Québec Public Safety officials.

Registration via the Hockey Canada platform for existing Huskie members

The parents of players, or players (for M-15 to Junior), who were active members during the 21-22 season, should register on line using the Hockey Canada platform (HCR 3.0). Payments should however be made via interac by E-mail transfer.

A procedural guide for use of the (HCR 3.0) platform as well as the interac payments has been issued by email to all parents and players from the 21-22 season. These procedures are also available at the registration section of the Huntingdon Minor Hockey Association web site www.hockeyhuntingdon.com. The link to the HCR 3.0 platform is as follows: : <https://hcr3.hockeycanada.ca/>

The schedule of ages and costs by category have been attached to the E-mail and are available on the web site.

The minimum payment required to confirm registration is 35 % of the season cost, and must be received before September 1. Any player in default of paying the deposit may not participate at the start of the training camp.

NEW REGISTRATIONS OR ARRIVALS FROM OTHER ASSOCIATIONS:

If your child is a new arrival to minor hockey or played in another association last season, you should communicate by E-mail at ahmh@derytele.com and provide the following information: name, address, date of birth, name of father and mother, and cellular and E-mail information respectively for each parent. For a player arriving from another association, please specify the name of last year's association. In either case, furnish a pdf photo of the birth certificate, as well as proof of residence of one of the parents (drivers licence, income tax receipt, or lease).

THE DEADLINE FOR REGISTRATION IS MONDAY AUGUST 29 FOR LEVELS M-11 TO JUNIOR, AND SEPTEMBER 5 FOR MAHG (4 – 6 YEARS) AND M-9.
